THREE POUNDS ALLOWED AND ASKED TO USE LESS

Ground Raw and Crop Yet To Be Ground Would Give Each Person Nearly Six Pounds

Three quarters of the 1918 Hawaiian erop has been ground, half of the crop for the year has been shipped and one quarter of the outire crop for the year is walting for ships to transport it to Francis Joseph. the refineries whence it can proceed on

Shipments of sugar thus far this year Factors Company has sent 232.714 tons | fight against the Austrians. and other shippers 57,300. There is reported to the representative of the that here in Hawaii we have more than two and three quarters pounds of for each man, woman and child in the United States which we are anxious to get rid of and cannot. Put into journ's the sugar waiting shipment imounts to 282,100,000 pounds. In five pound rations, this would do up into 56,425,600 packages or parcels.

five pounds each. AND MORNIN Supply Nearly 110,000,000 five-pound packages of sugar, the amount that Hawaii will send away, if it can get the shipping during the present year will give an allowance of more than a

nited States. At the present time the sugar allowance per empita for individual use, is fixed by the food administration at three pounds monthly. So there is on hand in the Islands, waiting to go into such rations, a month's supply for every individual in the United States and with what still remains to be ground and shipped Hawaii has a two months' sapply for every individ-nat in the United States.

Moving Slowly But this sugar is moving slowly. The increase in the stock on hand and waiting shipment from June 1 to July was 29,150 tons and in that mouth the sugar moved faster than had been expected and considerably that it that the average for the first six months

of the year. Last year the average monthly ship ment was 61,000 tons while this year the average has been 44,000. month there was sent away 51,509 tons 6500 above the average.

"Princess" Theresa Files Contest For Queen's Estate

Her Suit Filed Yesterday Brings List of Claimants Up To Four; travel abunet around the globe to an Says She Is Nearest Living ter the Italian ranks.

The Italians are a hardy looking lot Relative of Liliuokalani

Amended petitions were filed in two contests and a fourth was yesterday added to the list that has been present ed in the circuit court in convertion with the estate of the Queen Lairge kaham. "Trimesa" Belliveau, who was recently convicted and scatenced in the enuminal division | Contert Given By "Y" of the court for conspiracy to commist 'A very enjoyable concert was given forgery in an effort to acquire the at the Army and Navy Y. M. C. A., halk of the estate, is the new claim.

In her weatest "Princess" Thereig asserts she is the daughter of Kamar knopa, who was a neice of Lillaoka lam, and this fact, she contends, makes her the mearest living relative of Lihuokalani. In other particular "Prin-Theresa's suit follows the lines of the other contests, as she asserts that the will was not signed by witnesses at the request of Liliuokalani; that competent witnesses did not sign the will; that the Queen was mentally incompetent when the document was executed and that it was obtained through misrepresentation on the part

of Col. Curtis P. Innken. overruled by the court, leave was giv inghelli, of the ltaijan forces gave an were filed yesterday in two of the cases by Mrs. Kenwe Nuwahie and by John F. Colburn, acting as trustee for the minor children of Prince David & . was anakoa. In the amended petition and particularly that of Mrs. Nawahie, which has no accompanying family tro-chart, intracate arguments are presented showing relationship to the 3-d Onech.

It is probable that a bearing will when the course of the week fore Circuit Judge C. W. Ashford. - W. S S. --

NEPTHS OF THE PACIFIC

"The Deeps of the Pacific" is the title of an illustrated article in a recent issue of the Scientific American Supplement, by Vaughan MacCaughey of the College of Hawaii. The article gives a list of all the great deeps or abveces of the Pacific Ocean, and describes the animals and life conditions

Italians Traveling Around World To Enlist in Army

orced To Serve Under Austrian Banner, They Promptly Surrendered To Russians-Now. Released, They're Going Home To Fight Under Own Flag

Traveling twenty five thousand miles to culist in the Italian armies after having served under the banners of Austria under protest, from which they excaped by surrendering to the Rusminns in their first buttle, 586 Italians are now in Honolulu en route from Vindivostok to Italy, via Rome. They were torn from their homes in the Austrian Trentino region and made to serve in the armies of the late Emperor

Taken from the Austrian side of the Treatino, the men now hope, on being assigned to the Italian battle lines, have been 290,056 of which the Sugar to be sent to the Trentino sector to

All are clad in cheap kbaki uniforms, while many wear limp khaki outing shipping board to be on hard and awaits hats, but a large number have eaps ng shipment 141,050 tons. This means of Austrian military design. Each man wears upon his beaugear a rosette of the Italian colors interwoven with those of the United States, for they are traveling under American war depart ment ampibes, and will be delivered by the American government to the Italian war department. To Be Guests of Chamber

There still remains to be ground of This morning all the Italian solthe present crop 129,394 than, This diers wall be the guests of the Honowould do up into 51,757,600 purcels of lulu Chamber of Commerce. trofley ears will be ready for them at ten o'clock this morning to give them a sightseeing tour of the city. The chamber of commerce hoped to take the men out for an auto ride late yes terday afternoon but owing to the short space of time in which to as semble privately owned cars, this plan had to be laid aside for the trolley ride today. The rbie will occupy two boors' time, sufficient to take the Ital ians to all parts of the city.

Theirs has been an anusual experience. They were residents of Trieste the Trentino and others provinces un der Austrian domination. They were compelled to enter the Austrian army and were removed from the Italian horders and transferred to the Rus can front. In the very first battle in which they were sent against the Rus sians they surrendered. The Russians. however, held them as prisoner Aus trians, until the recent upheaval throughout Russia when they were re Russia and Siberia, and eventually make their way to Italy to offer their ervites against Austria.

Czecho-Slovaks Want to Fight The men are directly under the con mand of Sergeant Mantovani, but the utire party is looked after by Baron Aliotti, the Italian minister to Peking. He is going to Italy on a vacation and was given the opportunity by the nited States government to accom-
